FUSION FOOD COMPETITION REPORT

The Fusion Food competition was conducted on 17th October, 2022 in classroom no.106. As the saying goes on **“LOVE AT FIRST BITE”**, this was what happened to us. Amazing food combinations were made by students. Students were highly enthusiastic, and the combination of food they made were mouthwatering. Mangocustard with Gulab Jamun, Tomato- Potato wada, Some sprouts bhel, Samosa, Puran poli with different chutney and pickles (achars). Some of the students actually tried those items after going home on weekends. Amazing responses were there as students prepared them themselves even at home as a part of activity to be performed here and were eager to taste those food items after the competition. Some students were so much involved that they didn't allow their parents to prepare but they themselves started the preparation of buying the raw material needed earlier. A total of ~~7~~1 students participated and rest of the students were really eager to taste those amazing delicious dishes. The recipes were also notes by some students and teachers as well. Unique fusion food combinations were introduced us to a whole new taste palette! It was all worth at the end a whole new combination which we haven't ever heard of was introduced and tasted. Not only that the presentation was also mesmerizing. Rest other photos are given below. **“GOOD FOOD IS GOOD MOOD”**.

“VISHWAनिर्वāHA-2022”

An Intercollegiate Business And Management Fest

(13.10.22 to 15.10.22)

VishwaNirvaha 2022, an intercollegiate business and management fest held by the students of Vishwakarma College of Arts, Commerce, and Science, Pune from 12th to 14th Oct was certainly a remarkable event. This event was an opportunity for innovative minds to showcase their talents and skills. The team behind the event successfully captured the essence of conducting a business fest and hosted a wide range of competitions within three days.

DAY 1

The stage was set alight with the inauguration ceremony conducted by the Hon. Principal Dr. Arun Patil Sir and the Vice-Principal Mrs. Anjum Patel Ma'am. The ceremony was followed by 'Ikigai- a pep talk' given by the co-sponsor of the event Mrs. Pooja Somani, introducing the attendees to the Japanese concept of finding the true meaning of life. The ideology of Ikigai expressed fluently by Mrs.Somani left the audience with a newfound motivation and grace. The engaging pep talk was succeeded by the first competition of the event named 'Blog-a-thon' the paradise for content writers. Herein, the participants portrayed their views on trending business topics, with their exquisite penmanship. Out of all the writers, the handwritten blogs of Miss Faeka Ansari and Miss Khushi Patel secured the first and the second positions respectively.

DAY 2

Day2 observed the star of all the competitions, '*Pitch Perfect*' a replica of the blockbuster bizz show "Shark Tank", which was held in the presence of the renowned CA Vinod Agarwal Sir. He gave his valuable criticism to all the participants presenting their unique Business Models as an idea to benefit society at large. The participants had fascinating business plans and among all topped the idea of 'Pet's Friend' - a concept to bring ease to pet parents by providing an application to cover all their furry friend's grooming and boarding needs. Indeed the pitch made by all students, made this event perfect.

The second half of the day hosted an impromptu debate competition, named *Shutter Island*. As intriguing as the name, this debate had the room in barrels of laughter. The competition uncovered an entertaining side of the participants debating against one another whilst also playing an allotted character.

This day of the event was also arranged for an online short filmmaking competition, *Shoot Your Shot*, where participants like Mr.Omkar Pardeshi, flaunted their amazing videography and editing skills.

DAY 3

Day3 commenced with yet another pep talk providing insights on the *Real Estate Market*, given by **Mr. Venkatesh Zanwar**, a high-ranking employee at CBRE. Mr. Zanwar captured the audience with his guided presentation on the Basics and Current Affairs of the Real Estate World.

Simultaneously, people showed up in flocks for the colourful '*VishwaCarnival*' held on the campus. This carnival was an initiative for supporting students with micro, small and medium businesses. Stalls of food, products, and games were in sight. Meanwhile, the ambiance was uplifted with youthful music and live performers.
