The college plans to increase the overall student strength for some courses of the college. It also plans to prepare and submit a proposal for getting permanent affiliation of the SPPU. The college plans to elevate the present academic standard of the college to make the college one of the best colleges in the jurisdiction of Pune.
2. VCACS plans to conduct training sessions for teachers and students in the forthcoming academic year.
3. VCACS plans to promote the culture of research in the institute to motivate faculty for quality publications. VCACS plans to establish research facilities and to nurture and develop research culture among the students and staff. To strengthen ICT based teaching-learning. NLIST is available to access e-journals and digital books.
4. VCACS to strive for excellence in education by developing and sharpening the intellectual potential of students for the benefit of society. In tune with our mission, we have a common objective to develop the multidimensional personality of our students. This shall be achieved by organizing seminars, webinars, workshops and hands-on training programs. Provide strong conceptual and analytical skills to students and prepare them for leadership roles. VCACS encourage students to organize and participate in co-curricular activities. The college plans to establish the linkages/collaboration with various industries and organizations to develop skills and promote Entrepreneurship among students. VCACS also plans to promote innovative start-ups among the students. Sensitize the students to the social issues of society by involving the students to social organization through a structured program. VCACS encourage students to provide opportunities for foreign national universities. The college also plans and conducts certificate courses to enhance the skill sets and employability of the students. To offer value added courses pertaining to academics and life skills to help students to become employable. Motivating the students to participate in inter and intra college activities Departments like Computer Science developed E-content relevant to curriculum and uploaded on platforms like YouTube.
5. Each step of the Institute's educational process is carefully planned to include components that aid in meeting the goals of NEP 2020 for higher education.
6. VCACS plan and conduct group discussions and interactive online sessions for productive alumni participation. Alumni dedicatedly & actively participate in activities of institutes.
