National Service Scheme

AY 2023-2024

The National Service Scheme was established with the aim of creating social awareness in the minds of the college students and bringing about their all-round personality development. In order to coordinate the values of self-reliance, character development and social commitment in the new education system, since the birth centenary of Mahatma Gandhi i.e. 24 September 1969, the National Service Scheme for college students is being implemented under the Ministry of Youth Affairs and Sports, Government of India.

The concept of starting the National Service Scheme is that of Mahatma Gandhi, Jawaharlal. In the post-independence era, the youth of the country, especially the college

and university youth, should do some constructive work to serve the people of the country. Doing community service while pursuing college education, doing constructive work by mingling with the people of your neighborhood and understanding them, developing your own personality through community service. This scheme was started for this purpose.

Savitribai Phule Pune University has approved a unit of 100 volunteers of National Service Scheme in the academic year 2022-23. On behalf of the college, several activities were carried out following all the instructions issued by Savitribai Phule Pune University. While facing the global crisis of Corona, the volunteers of the National Service Scheme played an important role. By going to rural areas like “Winzar”, programs like women empowerment, de-addiction, and self-employment were implemented. AIDS Awareness Day, National Voter's Day, National Service Scheme Day, Reading Motivation Day, Tree Plantation, Constitution Day, Savitribai Phule Jayanti, Environment Day, World Women's Day, Yoga Day, Independence Day, Republic Day etc.

Women Development Cell

Academic Report 2023-24

VIDYARTHINI MANCH - Women Development Cell (WDC)

A Women Development Cell (WDC) is an initiative taken by educational institutions, workplaces, or other organizations to empower women and ensure their safety, equality and dignity.

The Cell has both the faculty and students of the College as its members and works with an aim to create a gender sensitized community within campus as well as in the society. It has been organizing various medical, cultural and social events for the upliftment of women and spreading the real importance of gender equality in the society through College students. The Women Development Cell also provides support to women who face discrimination, harassment, or any other form of gender-based violence. They organize workshops, seminars, and other events to promote gender equality, women's rights, and to sensitize people about gender issues.

Programmes held under Vidyarthini Manch

VCACS organized an event on “ 2K23” Programme on 23th October 2023 at 10:00 am for Female students of UG and PG of all the courses.

Session 1: Inauguration

The Vishwavardhini 2K23 programme was inaugurated on 23rd October 2023, Monday at VCACS College. The chief guest Mr. Nitin Shete then addressed the students, encouraging them to make the most out of the programme.

Session 2: “ ” – Session on Self Defense

The session aimed to equip the girls with essential skills and techniques to protect themselves in challenging situations. Mr. Nitin Shete conducted the session, where he demonstrated various self-defense moves and strategies. The students actively engaged in the practical exercises, learning to defend against common attacks and building their

confidence. The session received positive feedback from the girls, who expressed their gratitude for the opportunity to learn self-defense techniques.

Session 3: “ ” - Haemoglobin Check-up

Medical professionals from Glo Vision Diagnostics, Pune under the guidance of Dr. Lodha conducted the check-up, offering a convenient and efficient screening process for the students.

Session 4: “ ” - Healthy Food Decoration Competition

Students were tasked with showcasing their creativity by decorating plates of nutritious food. The competition promoted the importance of healthy eating habits and encouraged students to make their meals visually appealing. The students displayed their artistic skills and presented their plates in an impressive manner, making it difficult for the judges to choose the winners.

Session 5: “ ” - Personal Grooming Session

This session aimed to enhance students' confidence and self-esteem by providing them with tips and guidance on personal grooming. The session covered various aspects, including skincare, hair care, makeup techniques, and dressing etiquette.

Session 6: “FestArt” - Diya/Lantern Making Competition

The diya/lantern making competition added a traditional touch to the event. Students were given the opportunity to showcase their craftsmanship by creating beautiful diya (oil lamps) or lanterns

Annual Placement Report

Academic Year 2023-24

A placement cell, also known as the Career Development Center or Training and Placement Cell, is a department in educational institutions such as colleges and universities that aims to facilitate the recruitment of students for job opportunities after they graduate and establish a successful career for themselves. Where the placement cell plays a crucial role in a student's career journey. The cell caters to B.Sc., BBA, BBA(IB), BBA(CA), BCom, M.Sc(CS), M.Sc(CA), MCom courses with respect to Campus placement and Internship. Placement Cell interacts with the reputed organizations all over the country for arranging campus interviews for the final year students and thereby providing them with best of the opportunities as per their area of interest. By collaborating with industry experts and companies, the placement cell can provide the students with a realistic understanding of the industry and the requirements of the job market. The cell is headed by Prof. Anjum Patel and her team of teachers. Her valuable direction has paved a concrete path towards continuous success. The student members of the placement cell are selected from the second and third year batches after being put through a rigorous selection process. In addition to providing Placement support to the students in the industries during summer and winter vacations (Internship), Project work for the students in the final year, continuous institute- industry interactions, alumni activities, participation in exhibitions and job- fairs, Organize seminars and workshops, counselling of the students on job opportunities. They organize training programs, group discussions, workshops, aptitude tests and mock interviews to help students improve their communication and presentation skills, as well as their technical and soft skills. This helps the students to perform well during the recruitment process and increase their chances of getting selected. The placement cell in a college typically functions by first identifying the industries that match the academic background of the students. They then invite those industries to visit the college for

recruitment purposes. Once the companies agree to visit the campus, the placement cell takes care of the logistics and scheduling of the recruitment process.

Library Report

The Vishwakarma College of Arts, Commerce and Science has an outstanding library with computerized operations and services using Standard Library Management Software (SLIM21). The Online Public Access Catalogue (OPAC) enables the users to search books and other materials by author, title, subject, publisher, keyword, call number and accession number. The library houses 11801 volumes covering various subjects in English, Hindi and Marathi. The library subscribes to more than 10 printed periodicals including research journals and magazines. This would ensure seamless access to minute information, which is crucial in this “Information Age”. The Digital Library provides access to more than 6000 online journals and 31 Lakh e-books through UGC N-LIST and to thousands of Open Access Journals and Databases.

Activities of DNYANSAGAR: -

Throughout the year Dnyansagar organized many activities and learning programs for its users. This is the best way to encourage and involve students to know more about their library and maximize their library resources.

1. National Librarians Day

Librarian’s day was celebrated to mark the Birth Anniversary of Dr. S.R.Ranganathan who was a ‘Padmashri’ award winner. Dnyansagar celebrated the programme on 14th August 2023.

Prof. Anjum Patel (IQAC Coordinator) addressed the students, regarding the importance of the Library and motivated the students to read the book on a routine basis.

Total students and faculties benefited 40.

2. “Vachan Prerna Din” Celebration

On the occasion of the Birth Anniversary of the late President Dr. A.P.J. Abdul Kalam, students and teachers celebrated 15th October as “Vachan Prerna Din”. “Vachan Prerna Din” started with the speech on the importance of reading by our NAAC Co-ordinator Prof. Anjum Patel. On this occasion various activities were organized such as Students read books authored by Dr. Abdul Kalam, Group book reading in the classroom. This day was observed to cite inspiration from late Dr. Kalam’s distinguished life and to inculcate a habit of reading among students. Students took part actively in each activity. At that time the inauguration of “**VISHWA LITERATURE CLUB**” on account of “Reading Inspiration Day”. Its purpose is to attract book lovers and provide a platform for them to interact. The club has the motive to increase the reading of the students in day to day life.

3. Visit to Pune Book Fair 2023

Pune is known to be the education and Cultural capital of Maharashtra. Generally referred to as the culture capital and educational hub, the city is proud to host the annual Book Fair for the thirsty and knowledge seeking book lovers.

The Book Fair is set to have display stalls by renowned publishers, booksellers and service providers from all over the country. Nationally and internationally acclaimed books on Education, Science, Technology, Health, Management, Business, Law, Religion, Politics and literature are to be displayed in various sections of the exhibition. Books in various Indian languages like Hindi, Marathi, Gujarati, Urdu, Sanskrit etc along with English will be available at these stands. A Knowledge Society Lecture series is also being organized to educate all concerned, especially the youth. The main focus would be given on English, Hindi and Marathi Authors meetings.

4. (Shh.. Pune is reading) : One Hour for Reading

The preparations are in full swing for Swachhta Pakhwada - Swachhta Hi Seva - 2023 across the country. Citizens have geared up to fulfill Prime Minister

Narendra Modi's call to action for "Ek Tareekh Ek Ghanta Ek Saath" and pledged to pay a tribute to Bapu through Swachhata. To set the stage for this literary celebration, a unique initiative, " , " (Shh.. Pune is reading), has been designed for Pune-kars to dedicate one hour of their busy day to 'Reading'.

We organize "One Hour for reading " especially for all students. The main objective of this scheme is to develop a critical mind, self-confidence and a commitment to society.

5. Hon'ble Savitribai Phule Jayanti

VCACS, Dnyansagar celebrated the birthday of Savitribai Phule in the library on Tuesday, 3rd January 2023 at 11.00 am.

Prof. Sanket Lodha, NSS Officer and Prof. Vaishali Kale, SDO officer expressed his views about Savitribai Phule. He said "Savitribai Phule was the first women, who stand alone for the girl's education, took lots of efforts to make women educated and make available the first girl's school in Pune and in the memory of such Honorable women this day is celebrated". Many Students also gave speeches on "Contribution of Savitribai Phule". Through this programme students came to know about Savitribai Phule's early life and what she contributed for the society as well as for women's empowerment.

6. Digitization of Question Papers

Dnyansagar has digitized Question Papers from March/ April 2019 for various departments for speedy and easy access through intranet services, which is available for access on computers of library through intranet services.
