Report on Webinar of "Confidence Enhancement: Tools and Techniques"

Date, Day: 11th October 2021, Monday.

Platform: Online (Google Meet)

The Vishwakarma College of Arts, Commerce and Science, Pune has organized a webinar on Confidence Enhancement: Tools and Techniques – under VishwaRisingStar 2K21 for all FY, SY and TY Students on 11th October 2021 from 10.30 am to 12.00 noon.

Guest Profile:

Ms. Manisha Bhati. She is an International Women Empowerment/ Upliftment Trainer, Leadership Development at Dreamhunt India.

Highlights of the Session:

The guest was introduced and welcomed by Ms. Madhura Thite. This webinar included guidance on various aspects related to students Nature, Honesty, Confidence Building, Skill- Development, Self-Awareness and many more. Manisha madam has told students about how to grab the opportunity? How to overcome your fears? She has also shared some of her life experiences.

She has further explained about importance of Self Confidence. Self-confident people seem at ease with themselves and their work. They invite trust and inspire confidence in others. These are all attractive characteristics to have. People who are self-confident perform better at work, so it's important to nurture your team members' self-confidence, too. *Learning, Remembering, Believing* offers an understanding of human learning that will be useful to training specialists, psychologists, educators, managers, and individuals interested in all dimensions of human performance.

We have received a huge response for this webinar from all the students. A total of 250 students have joined the session. It was a very interactive session having answers from the guest and helped students to clear their doubts.

The webinar ended by Vote of thanks.

Students attended & benefited: 245

vs. Business, to be prepared all the time for risk and for profit loss. Look for help if needed. That is she told how we can search for resources to get better results and reach our goals. She said, aim has to be positive and beneficial for society. She also gave information about her book and said we always have to present things in a well manner by using good PowerPoint and always try to impress investors and grab the attention with your innovations and convince them for your project. She has taken a very interactive session. Students were very active in the session. Students also discussed their Business Ideas and their Planning about Business. She has given more emphasis on the importance of decision making in life and business. Students asked questions and she answered their questions in a positive way.

Second part of session was conducted by Aliasagar Khalil –

Co-founder and Manager at LeadzIn, Pune. He shared his story of being an entrepreneur. He started with the simple definition of entrepreneur. He motivated students for having strong belief in ourselves. He talked about how his journey of life was very struggling, as he is a single parent child. He motivated students to at least face the difficult situations coming in your path. Do not give up yourself and try to fight so that you will become successful. He addressed students to have an urge to start something new, have a feel for that related to real life examples like appearing for exams in schools to the exams that life sets for us. He guided students to take right decisions of their own choice. He motivated students to deal with rejections and failures in a positive way by giving various examples. He discussed about his business of selling software on emails to UK and US clients and maximization of profit. He talked about new things that regular students won't be aware of like B2B, BDE etc., and then gave a new idea for students to think about. He introduced affiliate marketing to students.

Students benefited – 249 Students

Report on National Pollution Control Day

Date: 2nd December 2021

Time: 10.00 AM – 12.00 noon

Platform: Google Meet, Google Form

Brief details of the event -

BRACT's, Vishwakarma College of Arts, Commerce and Science, Pune, conducted a PPT Presentation Competition on 2nd December 2021 On the Occasion of National Pollution Control Day.

Objective of the event –

- To raise awareness about the importance of pollution control measures among the students.
- To educate students on how to prevent pollution.

Summary -

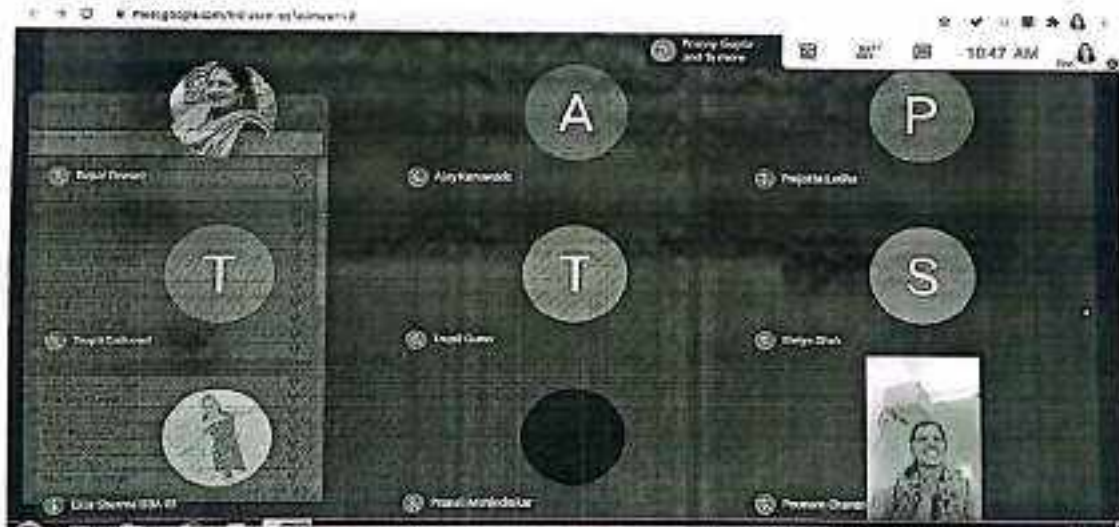

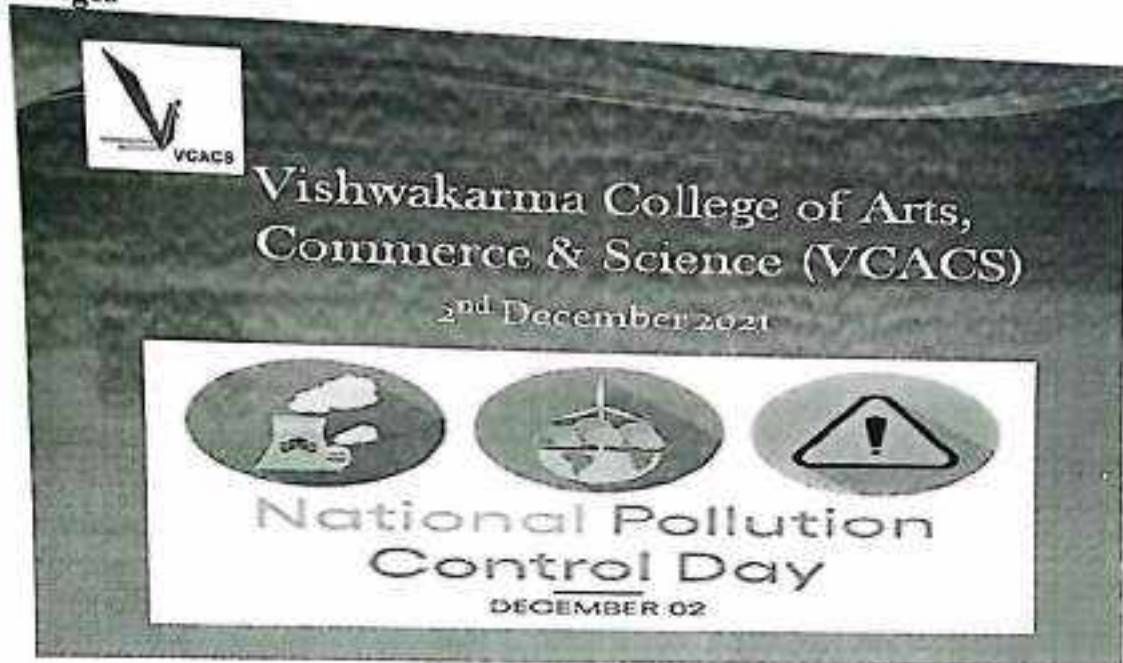

National Pollution Control Day is celebrated on 2nd December to raise awareness about pollution and its hazardous effects. This day is observed in the memory of the people who lost their lives in the Bhopal gas calamity and is considered as one of the biggest industrial disasters. The day aims to bring awareness to students about prevention of air, soil, noise, and water pollution.

The session started with an Introduction to the idea behind National Pollution Control Day. The brief history of Bhopal Gas tragedy is shared and remembrance of those who lost their lives in this tragedy when the deadly gas methyl isocyanate leaked out of the Union Carbide plant on the intervening night of December 2-3 in 1984. The effects of that disaster are felt even now after more than 35 years.

This year's PPT presentation theme for the Pollution Control Day is 'the importance of pollution control measures' and 'how to prevent pollution'. We have received good response to this competition. Under this competition, Students has to prepare and submit their PPT's on the given Google form link in given time. A

total of 29 students registered and submitted their PPT's. The best entries were awarded with E-certificates.

Report on National Energy Conservation Day

Date: 14th December 2021

Brief details of the event -

On the occasion of "National Energy Conservation Day" our college "Vishwakarma college of Arts, Commerce and Science, Kondhwa," organized "Poster Making Competition"

Objective of the event –

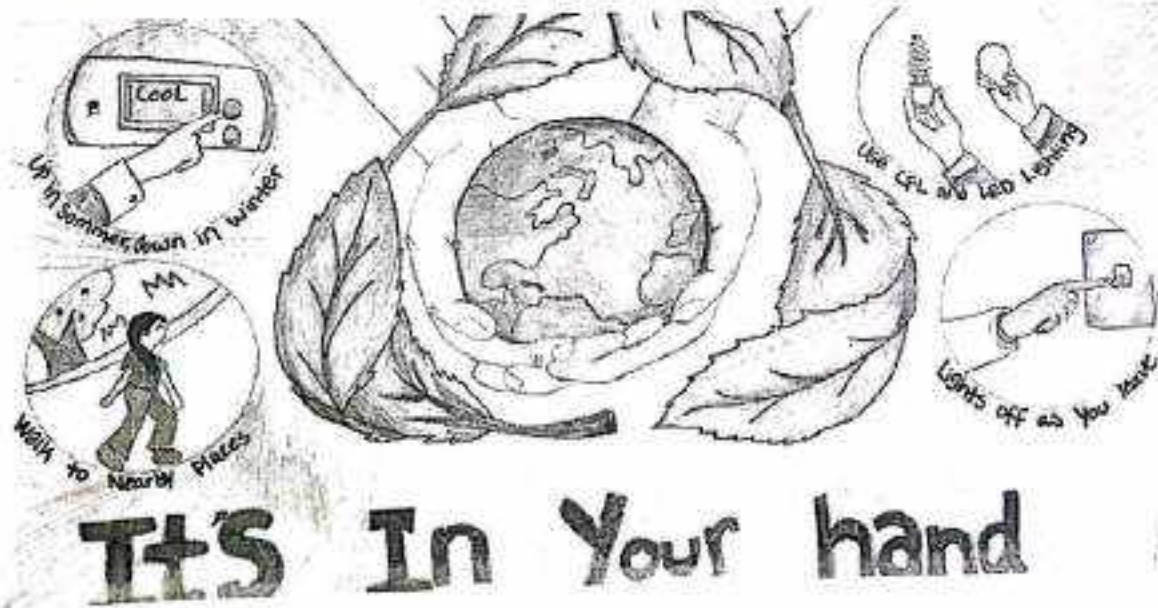

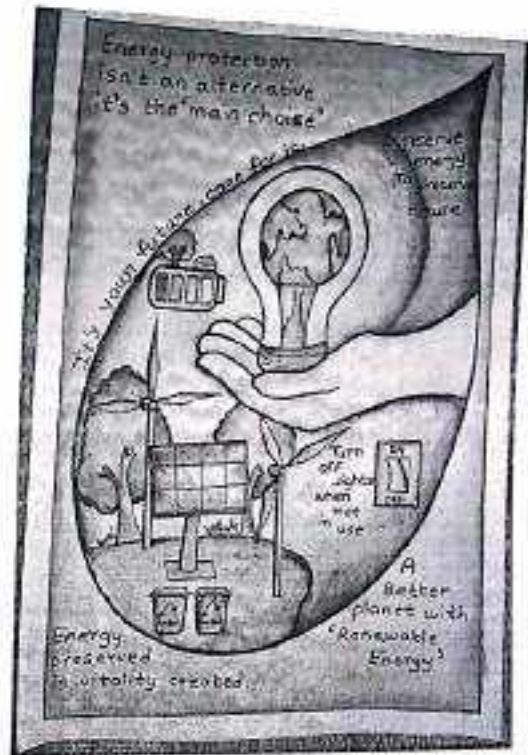

- To drive mass awareness about the importance of energy efficiency and energy conservation among the students.
- Encourage students to reduce energy consumption and use it's efficiently.

Summary -

National Energy Conservation Day is celebrated on 14 December annually. The Bureau of Energy Efficiency (BEE) of India implemented the Energy Conservation Act in 2001. The Ministry of Power is celebrating Energy Conservation Week from 8 to 14 December 2021 under Azadi Ka Amrit Mahotsav. Several activities have been undertaken by Power CPSUs as part of the celebrations.

It is observed every year to spread awareness about the importance of energy and the need of conserving energy by using less energy. Know about the theme, history, and significance of the day. This year's Poster presentation theme for the National Energy Conservation Day is 'Save Energy-Save Earth'. We have received good response to this competition. Under this competition, Students has to prepare and submit their posters on the given Google form link. A total of 25 students registered and submitted their Posters. Subject Expert:

Mr. Hitesh Sharma

Objective of the Workshop:

- To understand what works and what doesn't (the new résumé standards)
- To tell your professional story in two pages or less
- And learn to write cover letters

Summary of the Workshop:

A session on “Crafting Impactful Resume and Honing interview Skills” was conducted on the 3rd of January 2022 at Zoom platform under the Placement Cell of VCACS. Mrs. Anjam Patel was the Facilitator for the Seminar. Mr. Hitesh Sharma invited from Kimyo Learning (VI Applicant) to guide students regarding impactful resume. The seminar was attended by final year students of Graduation and Post Graduation. The purpose of the seminar was to give an idea about the Curriculum Vitae, Resume and formats.

Mr. Hitesh start the session with simple question of the difference between a resume and curriculum vitae. The answer helped to clarifying the doubts of students that whether as a fresher one has to write a resume or a CV.

Trainer gave a general guideline on writing a resume which is as follows:

1. Name, address, mobile no., email
2. Objective

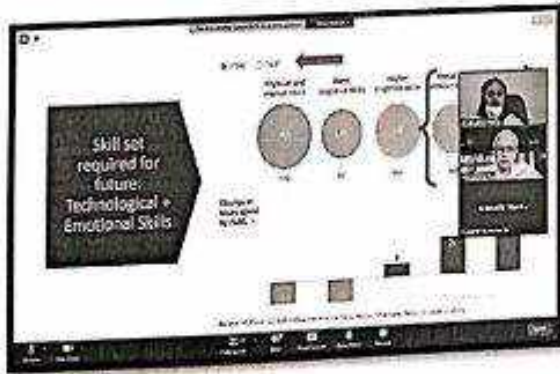

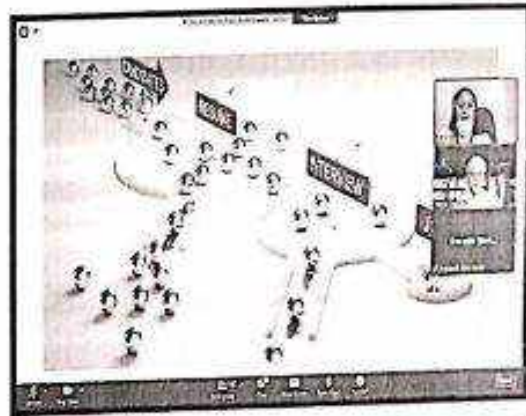

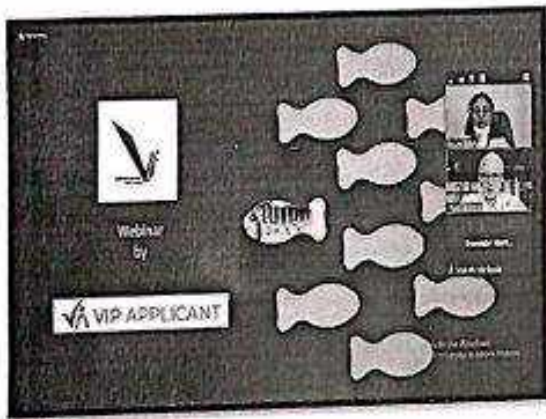

1

3. Education
4. Work experience with responsibilities
5. Skills- Educational and Managerial
6. Achievements
7. Referrals

Mr. Hitesh explained the three formats of career summary statement viz. chronological, functional or a combination of both.

Students were given the task to write a cover letter and email to Mr. Hitesh. Lastly feedbacks were taken from the students and they found this session very informative.

Students attended – 156 Students

Conclusion

- The speaker guided participants about Crafting Impactful Resume and interview skills.

About Conference

Mental health includes our emotional, psychological, and social well-being. It affects how we think, feel, and act. It also helps determine how we handle stress, relate to others, and make healthy choices. Mental health is important at every stage of life, from childhood and adolescence through adulthood.

Raising mental health awareness can help you to understand your symptoms, find professional treatment, and, perhaps most importantly, break the mental health stigma that leaves so many people suffering in secret.

This conference will cover the following points

1. Global perspective of Mental health and economic budget
 - Focus on the approaches of countries like New Zealand and Finland with their "Wellbeing Budget"
 - Different perspectives of looking at mental health as a part of the economy.
2. Provision that can happen in Indian Scenario
 - Possibilities of better Mental health facilities in India
 - Proposed initiatives
 - It's impact
3. Need for a shift in the mindset of Indians
 - Politicians and Policymakers
 - Mental Health Professionals Indian
 - citizens at large
4. What can I contribute?
 - Ripple effects that can be created at grassroot level
 - Our actions can impact the policy decisions at local levels Creating
 - an impact in making the policy.

Report on National Science Day – Rangoli Competition

Date: 28th February 2022

Platform: Google Form

Brief details of the event -

BRACT's, Vishwakarma College of Arts, Commerce and Science, Pune, conducted a Rangoli Making Competition on 28th February 2022 on the Occasion of National Science Day.

Objective of the event –

- To promote a scientific drive in the students.
- To spread a message about the importance of science used in the daily life of the people.
- To give an opportunity to the scientific minded students.

Summary –

National Science Day is celebrated every year on February 28. This day recalls the notable invention "Raman Effect" by India's greatest scientist C V Raman. He was awarded the Nobel Prize for this discovery. Since that day, February 28 is being commemorated as National Science Day to recall the great discovery of CV Raman.

Rangoli Making competition was organized in order to enhance creativity and unleash the hidden potential in the students. Students made beautiful Rangoli designs by using various color combinations. Their artisanship was quite fascinating and they thoroughly enjoyed this activity that tickled their creative side.

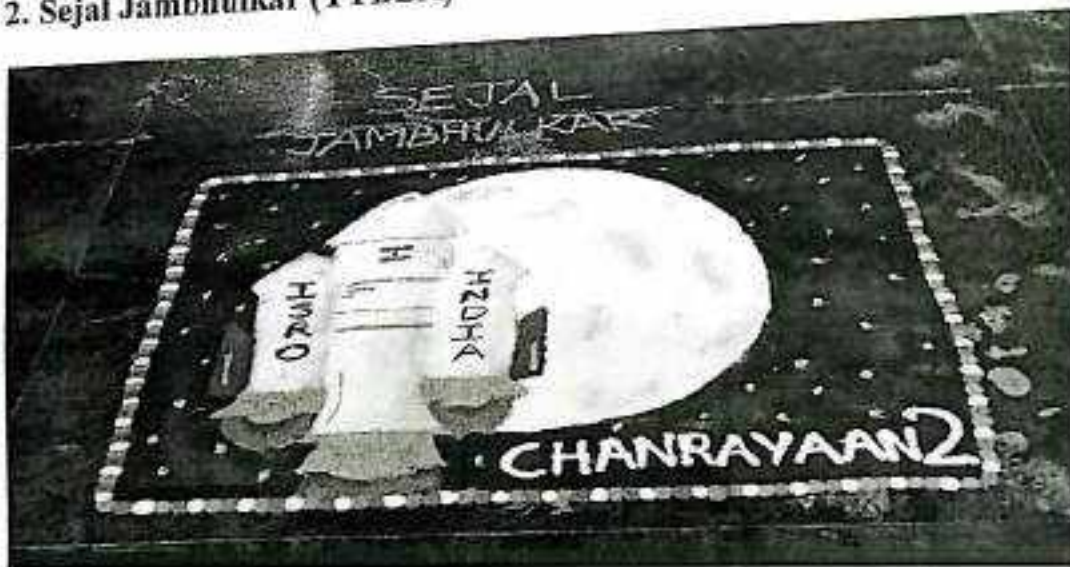

This year's Rangoli Competition theme was 'National Science Day'. We have received a good response to this competition. Under this competition, Students has to draw and submit their Rangoli image on the given Google form link. A total of 22

students registered and submitted their Rangoli designs. The best entries were awarded with E-certificates.

Indian Women Scientists' Association, Pune branch In association with MES's Abasaheb Garware College, Pune Computer Science Association, conducted “Human Pulse Detection System and Pulse Analysis” at 3.00 pm Thursday, 4th March, 2021.

Guest invited:

Prof. S.A. Gangal

Professor (Retd), Dept of Electronic Science, SP Pune University, Pune

Objective of the Guest Lecture:

- To share the design and implementation of Human Pulse Detection System and Pulse Analysis.
- To encourage the students in research and innovation.

Summary of the Guest lecture:

The Guest Speaker has started the webinar with an introduction on Ayurveda including 5 elements of human body and Tridoshas – Vata, Pitta, Kapha. She also explained elements of Tridoshas and how these Tridoshas helps to determine an individual constitution (Prakruti) and their contribution to disease process (Vikruti).

Honourable Speaker continued with explaining Human Pulse characteristics according to Tridoshas and importance of Pulse examination for disease diagnosis (Nadi Pariksha). According to Tridoshas there are

3 basic Gatis of Nadis as a human pulse is pressure wave. Its movement is different for different Doshas. And analysis of these 3 Doshas was shown using Lab- View Programming.

Further she gave details of different types of commercially available sensors used for pulse examination like MLT 101 and PZT pellet. The Session was more interesting as she started explaining the comparative study of Sensors, their fabrication process, signal processing circuit and its operation.

There is certainly no doubt that innumerable seminars, events, talks and workshops are organised in various colleges on a regular basis and Our College always motivates students to attend informative sessions like this. These sessions provide education not from the books, but through practical examples and real life experiences. Eminent personalities and reputed organisations who conduct these sessions help the students to gain an insight of the outside world at an early age so that they have an idea of what the competitive world has in store for them when they step out of their comfort zone.

The students attended this session have given a good feedback. They found this session very informative and gained detail knowledge of Pulse examination and use of Electronics in it.

Students benefited – 40 Students

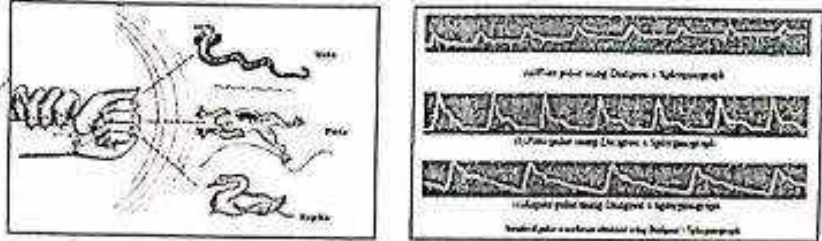

Conclusion

- The speaker guided participants about Human Pulse Detection System and Pulse Analysis. The main focus was on an importance of Electronics field in human health analysis.

(Faculties Present: Ms. Prajakta Lodha, Ms. Poonam Chavan, Mrs. Snehal Jadhav)

REC

Three basic gatis of Nadis

The diagram on the left shows a hand with the three fingers (index, middle, ring) placed on the radial artery at three different points. The three pulse waveforms on the right are labeled as follows:

- Top waveform: *vala* pulse mang Dhatva + Sparshagrah
- Middle waveform: *pitta* pulse mang Dhatva + Sparshagrah
- Bottom waveform: *kapha* pulse mang Dhatva + Sparshagrah

Pulse Examination

- Pulse examination is an essential means for disease diagnosis in Indian traditional medicine (Ayurveda)
- Nadi-Pariksha is done at the root of the thumb by examining the radial artery.
- Ayurvedic physician (Nadi Valiyya) examines the patient by placing his three fingers at three points on radial artery on the wrist to detect the *vala*, *pitta* and *kapha* dominance.

Vishwakarma College of Arts, Commerce and Science, Pune conducted “Women in Leadership: Achieving an Equal Future” at 1.00 PM Monday, 8th March, 2021.

Guest invited:

Ms. Anita Hivarkar

Police Inspector, Bibwewadi Police Station

Objective of the Guest Lecture:

- To share the views about the issues related to Women & Teenage Girls.
- To encourage the female students to take up the career seriously & also fight back the life challenges.

Summary of the Guest lecture:

The Guest Speaker has decided to guide on MPSC Examination. She was from a middle class family residing near Saswad, Pune. She discussed about her own upbringing, how her parents especially her mother assisted in her career decision and how she gained the success in MPSC. In 12th she has taken studies seriously. After that she has started the preparation for MPSC Examination. She has done dozens of Jobs till she cleared the MPSC. She succeeded from 400000 students in year 2005 after her relentless efforts. She became Sub - Inspector, gained lots of appreciation from Village & District Authorities Her Mother also awarded with Jijau Puraskar from Nilu Phule Sir. It was the memorable moment for Anita Madam.

She was offended with her looks before she gained her Police Uniform and became confident.

After employment she was the driving force of her family. She took care of parents till their last minute of their life. She confidently faced the situation like breaking of marriage, lost her spouse & parents. She worked in many fields of Police Department and gained the experience.

She treats poor and deprived people with dignity, respect & love. She assists the Students by her own or contribution from public. Social Media use has to be used with due diligence. Also be aware of frauds and cyber-crimes related to female users. Do not get addicted to glamour, try to develop yourself in chosen field

with whole hearted efforts. Reading habit is to be inculcated for knowledge and knowing social environment around us.

Following were the highlights of the Session

- Discussion on MPSC Options
- Guidance on use of Social Media & Electronic Gadgets.
- Discussion on life difficulties ad how to overcome the same.
- How to become successful in long term.

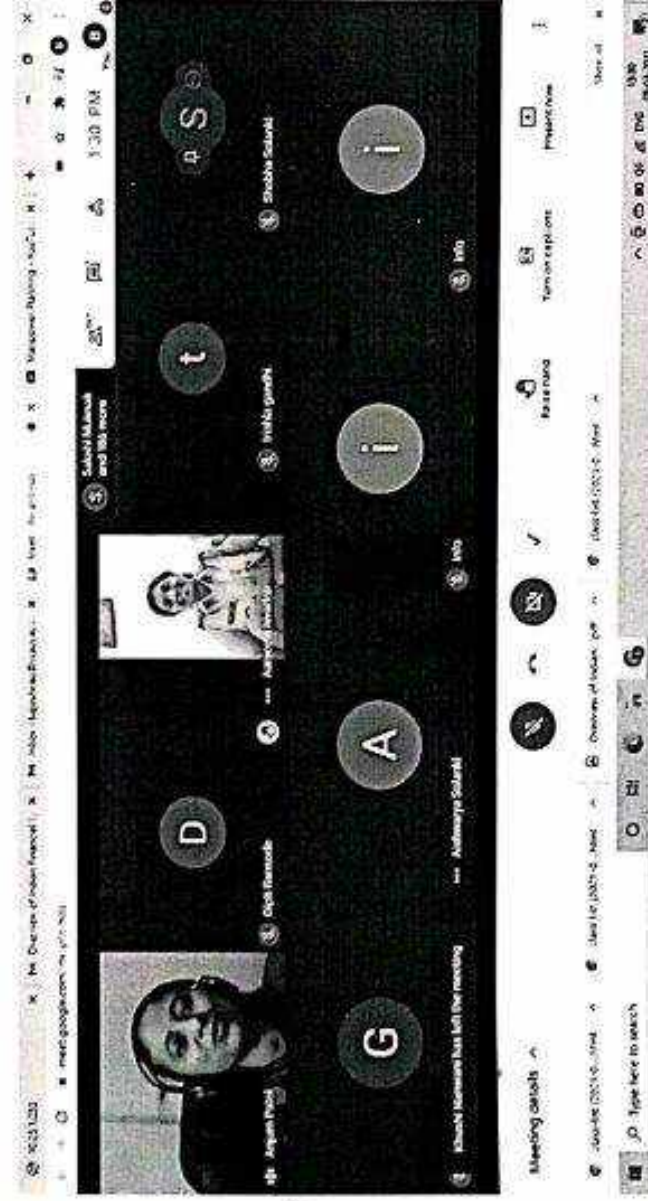

Students benefited – 207 Students

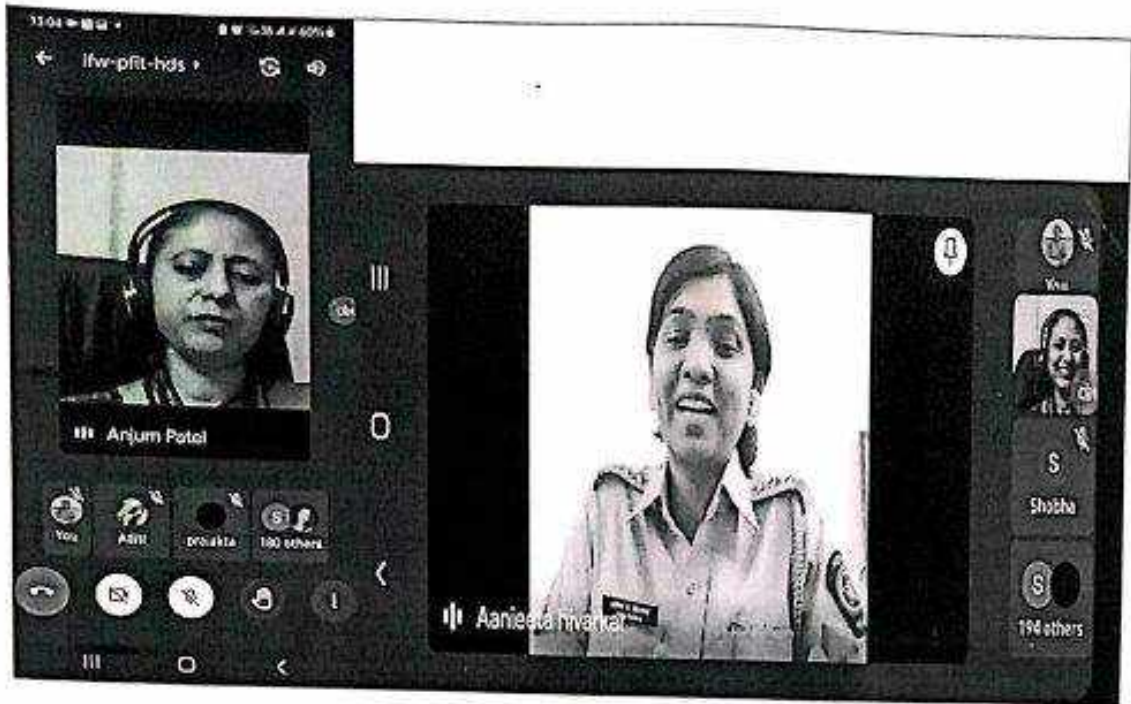

Conclusion

The speaker guided to make 100% out of opportunities available in life, if the opportunities are not available create the opportunities. Do not underestimate yourself; fight the life with courage and confidence.

- To guide women to take hold of their own well-being, both mental and physical, and to teach women ways that they can get started on promoting their own health or continue with it.

Highlights of the Session:

Honourable guest Dr. Sonali Mundada, gave an introduction about Menstrual hygiene awareness. She mentioned, it's 2021 and gender equality is a relatively hot topic, but that sentence is still

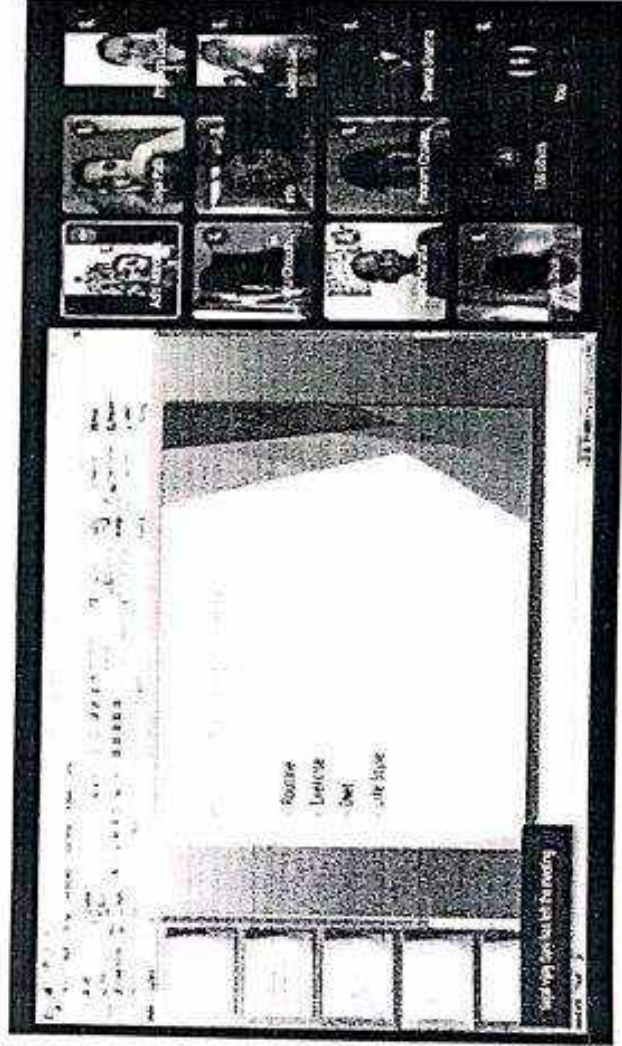

something that makes people feel uncomfortable. The subject of menstruation is still something that is considered taboo and although many organisations are doing what they can to end the shame and eradicate period poverty, there is still a long way to go.

After that, she guided all about how to tackle problem of PCOD and PCOS with the help of proper and measured diet, exercise and routine.

Girls asked their concerns and doubts to Dr. Sonali and she cleared every doubt, also suggested them required treatment.

Guest Speaker Dr. Sonali Mundada concluded by saying that we are responsible for teaching the next generation of women about periods and how to manage them safely and hygienically. Schools, colleges, universities and other educational institutions can all play a part in helping stop the stigma around menstrual hygiene. Educating students and providing them with the right hygiene facilities will help give women and girls the confidence not to be held back by their periods.

Report on

"YOGA DAY"

Venue:- VCACS, Ground, Pune.

Date:- 21 June 2018.

Since 2015, VCACS is celebrating International Yoga day. We have conducted all the activities successfully with huge response and participation from students.

Department is continuously taking efforts for development of students so they can build themselves to cope up with society around us.

Like previous year, this year also we have celebrated 'International yoga day' for students and staff. We have invited one of the expert from this field "Winner of national yoga Competition, Ms Shivani chinchode to share her expertise with the participants. With this students come to know about importance of healthy body, and healthy mind which is essential in today's stressful competitive environment. All the participants were highly satisfied with this activity.

For the academic year 2018-19, college has organized "International Yoga Day" for the students, on 21 June 2018. Activity is conducted in three batches, which include yoga guidance, yoga asanas and pranayama as per guidelines in circular on International Yoga Day by Savitribai Phule Pune University.

and meditation in our life. She has not only talked about various Asanas, Pranayama, Suryanamaskar and meditation but also she taught everyone how to do it. She said that yoga helps to keep the internal organs in the body to function properly by increasing the oxygen and blood flow. Proper oxygen and blood supply to all the vital organs helps to diminish the occurrence of major diseases related to heart, lungs, kidneys and other vital organs.

Conclusion:

World Yoga Day aims to educate people about the various means of overcoming stress naturally without resorting to any artificial medicine. In short World Yoga Day aims to bring different communities around the globe together through the practice of yoga, so that they can eliminate all types of negativity from their lives and gain control over their emotions as well as health ailments which often acts as the major hindrance in our path of self-development.

REPORT ON

Resume Building workshop

Classes : BBA, B.Com, BCA, BSc(comp sci) Students

Date : 6th August, 2018 and 7th August, 2018

Time : 11:00 PM

Venue : Hall No. 108, VCACS, Pune

Guest Name : Mr. Afridi Khan

Objectives :

To guide students about how to write resume.

Details:

Writing a great resume does not necessarily mean you should follow the rules you hear through the grapevine. It does not have to be one page or follow a specific resume format. Every resume is a one-of-a-kind marketing communication. Sir explained steps of resume to students.

Mr. Afridi sir told students about importance of resume in a career. He told various formats of resume. He explains how to identify resume section and respective content. He told students what formatting can apply to resume. Sir has given tips for writing resume. He also told about what we can include in resume and what not. Sir has given formatting tips.

This workshop will definitely helpful to our students to discover how to identify and best market transferable skills. Students understand how to write accomplishment-based job and skill statements.

Guest invited for inaugural function

- Prof. Abhimanyu Pati
- Mr. Shankar Sutar

Objective of the Workshop:

- Designing operations for double bottom line profit and social impact.
- Innovation focused on local social or environmental problems.
- Institutionalizing impact.
- Scaling up to reach more beneficiaries or customers from the bottom of the pyramid to maximize impact.

Inaugural Function

The inaugural function was started with Saraswati Poojan by our Chief guests Prof. Abhimanyu Pati and Mr. Shankar Sutar, Chairperson of the workshop and Principal Dr. A.R.Patil, Convener Prof. Anjumptel and Organizing Secretary Prof. Swati Sathye.

Welcome Address By Prof. Swati Sathye

Prof. Swati Sathye, Head of Commerce Department delivered the keynote address. She discussed about the benefits of being a commerce student and also about the economy being run and managed by commerce students. She gave examples of some entrepreneurs with no business background but still they managed to become a very successful entrepreneur and also did many innovative things for the society.

Chief Guest Speech

Mr. Shankar Sutar is an owner and founder member and director of Intence Engineering, Pune. He discussed his experience as a director and also his work life in detail. He discussed with the students the struggles to be done to become a entrepreneur. He gave his real life examples and told the students the way he dealt with all the opportunities and all the risk that comes along with opportunities. He explained the students that instead of becoming a job bearer become a job giver and also fulfill ones social responsibility.

Chief Guest Speech

Our next Chief Guest was Prof. Abhimanyu Pati. He is a professor at ICFAI Business School, Pune. He teaches MBA students everything about Entrepreneurship Development. He discussed with our students the need and also the features of an entrepreneur. He along with some examples explained the pros and cons of becoming an entrepreneur. He showed a power point presentation to students and told them the ways of developing entrepreneurship skills.

Report on "Data Analysis and Interpretation for Research Paper Workshop" which was organized on 18th December 2018 at 11.00 AM for the students of TYBBA, TYBCom, TYBSc CS and TYBCA students.

Guest Name: T. Anupama (Associate Dean)

IBS Students: Ujwal Jain and Mahima Jain

The objectives of workshop was to guide the students about importance of Research Methodology, how to prepare the Data Interpretation and Questionnaire. She disclosed what should be the format of questionnaire towards the different category of employees, employers and even management.

Anupama madam explained students about the difference between primary data and secondary data. What points should be involved in conclusion and suggestion. She guided about how to select the topics towards recent trends going in research world.

She motivated students to write the Research paper on Digital Marketing. By this she may solve the queries about the research project so we found that many students interestingly enrolled their names for further process. Almost 25 students contacted with Ujwal and Mahima Jain the students of T. Anupama madam.

Conclusion:

This workshop really helped students to prepare research papers according to the need for different types of topics which may clear the doubts for proper questionnaire and analyzing data interpretation
