\*\* Newcastle University charges tuition fees by academic year. The University's full academic year runs from September to August. If you have a mid-year start date, you will only pay a proportion of this tuition fee to cover the period of study to the end of the academic year. If your course lasts longer than an academic year, the fee due in September, at the start of the next academic year, will normally be higher than in the previous year, due to an annual inflationary increase. Further information about tuition fees is available at <https://www.ncl.ac.uk/tuition-fees/costs/>.

\* Under normal circumstances you will not be permitted to start the course beyond this date. If you foresee any problem which may affect your arrival in Newcastle please notify the Postgraduate Admissions Team immediately.

\*\* Newcastle University charges tuition fees by academic year. The University's full academic year runs from September to August. If you have a mid-year start date, you will only pay a proportion of this tuition fee to cover the period of study to the end of the academic year. If your course lasts longer than an academic year, the fee due in September, at the start of the next academic year, will normally be higher than in the previous year, due to an annual inflationary increase. Further information about tuition fees is available at <https://www.ncl.ac.uk/tuition-fees/costs/>.

May I take this opportunity to congratulate you on your offer of a place to study at Newcastle University. I hope that you will accept your offer and I wish you every success in your future studies with us.

Yours sincerely,

Mrs Caroline McLean

All students whose first language is not English must demonstrate that they have achieved a certain standard of English before starting their programme at Newcastle University. If you have an English language condition, this is included in the detailed Terms and Conditions of Your Offer. There are two ways to confirm that you have met the English language standard:

A. Take an international language test (e.g. IELTS, TOEFL, IBT, Pearsons). You can upload a copy of your language qualification to your Applicant Portal. Information about the other tests we accept is available at [www.ncl.ac.uk/international/language/#overview](http://www.ncl.ac.uk/international/language/#overview).

OR

B. Complete a six or ten week Pre-Sessional English language course, or one or more terms of the English for University Study course at the INTO Newcastle University language centre. Contact [into@newcastle.ac.uk](mailto:into@newcastle.ac.uk) if you have any questions about our English language courses.

## Deposit Payment

If you need a Student Visa to study in the UK, you will need to pay a minimum of £1,500 tuition fee deposit. You should pay your deposit as soon as you accept your unconditional offer. We can then send you a Confirmation of Acceptance for Study (CAS) for your visa.

You do not need to pay a deposit if you're able to provide proof of sponsorship. If you are being sponsored, attach your formal sponsorship letter to your Applicant Portal as soon as it is available.

For certain programmes you will need to pay a deposit to secure your place before meeting any conditions. If this applies to you it will be a condition of your offer. The deposit amount and deadline for payment will be in the 'Terms and Conditions of Your Offer' section in your offer letter.

For information on how to pay your deposit see the Postgraduate Offer guide at <http://www.ncl.ac.uk/postgraduate/your-offer-guide/internationalstudents/#conditionaloffer>.

## Visa Requirements

Most international students need a Student Visa to study in the UK. You will need a Confirmation of Acceptance for Study (CAS) from us to make a Student Visa application. We will be able to issue your CAS when you have accepted your unconditional offer and paid your deposit. Your CAS will be sent to you around 3 months before the start of your course. The CAS will be sent to you by email - please ensure that the email address that the University holds for you is correct. You can use the CAS to make your Student Visa application no earlier than three months before your course starts. Visa students must have a visa bearing the Newcastle University Sponsor Licence Number CKTK52NU0 in order to register at Newcastle University.

## Payment of Tuition Fees

The fees for your course are given in the 'Terms and Conditions of Your Offer'.

You will see that you have been classified as an international student for fees purposes, according to the provisions of the relevant UK legislation. A summary of the definitions of Home and Overseas fee status is available on the UKCISA website at [www.ukcisa.org.uk/Information--Advice/Fees-and-Money/Home-or-Overseas-fees-the-basics](http://www.ukcisa.org.uk/Information--Advice/Fees-and-Money/Home-or-Overseas-fees-the-basics). If you do not agree with our assessment of your fee status you can email us at [pgadmissions@ncl.ac.uk](mailto:pgadmissions@ncl.ac.uk).

At least half of your tuition fees must be paid at Registration and the second half will be payable in January. If you are responsible for payment of any or all of your tuition fees, you can get a 2% discount if you pay your fees in full by the end of Registration week (for those starting their programmes of study in September). The discount applies to the proportion of fees you are personally responsible for. If you are being sponsored, you should provide proof of sponsorship at or before Registration.

If you are a self-funding graduate of the University you may be eligible for a 20% alumni reduction in the programme fee – see [www.ncl.ac.uk/postgraduate/funding/sources/ourstudentsgraduates/atfd.html](http://www.ncl.ac.uk/postgraduate/funding/sources/ourstudentsgraduates/atfd.html) for more information. Further information about paying your tuition fees is available at <https://www.ncl.ac.uk/tuition-fees/payment/>

Please note that the University does not accept cash payments.

Your official test report will be posted to you 13 days after the test. Please note the preview of your IELTS result cannot be used as official confirmation of your test result.

**Overall Band Score**

**Overall**      6.5      **Competent User**

The test taker has an effective command of the language despite some inaccuracies, inappropriate usage and misunderstandings. They can use and understand fairly complex language, particularly in familiar situations.

**Advice to improve your score**

Continue to develop your vocabulary by reading widely. Listen to as much English as you can so that your understanding becomes more automatic. Listen to longer recordings such as interviews and films, with and without English subtitles, pausing and repeating the recording when necessary. Note the words you didn't understand immediately, so you can review them. Try to understand those times when the speakers don't directly say what they mean. What are the clues you use to understand these in your own language? Use the same strategy to understand them in English.

**Test**      **Score**

**Your result explained**

Test takers at Band 6 can typically follow extended speech and understand detailed instructions. They can generally understand directly-stated facts, attitudes, opinions and purposes. They can also generally pick out main ideas, and relevant and irrelevant information; and can also generally infer implied meanings. They can do this without having to process individual words and structures and can remember enough of what they have heard to understand references such as pronouns. They can understand most vocabulary relating to a range of topics, including some terms typical of academic English.

Test takers at Band 6.5 can typically deal with a range of factual and opinion-based texts that may be relatively complex and dense with information. They are good at using their vocabulary knowledge to create meaning, both within and across sentences, on a range of general topics and some specialised ones. They can understand implied meanings, and have some ability to understand somewhat complex opinions and arguments. They can generally use reading strategies such as skimming and scanning, and can generally synthesize information and draw inferences.

Try to read different types of texts, including general and academic texts, and not just in your subject area. In general interest articles, the main point may come in a different place than you expect. In academic texts there will be fewer opinions, or they may be harder to spot. On the other hand, they can be dense with information. Be aware of the differences, and adjust the reading strategies you use depending on the text you're reading. Decide when to read carefully and when to read quickly. In any case, you may want to give yourself a set amount of time, so that even your careful reading is done more quickly and efficiently.
