FUSION FOOD COMPETITION REPORT

The Fusion Food competition was conducted on 17th October, 2022 in classroom no.106. As the saying goes on **“LOVE AT FIRST BITE”**, this was what happened to us. Amazing food combinations were made by students. Students were highly enthusiastic, and the combination of food they made were mouthwatering. Mangocustard with Gulab Jamun, Tomato- Potato wada, Some sprouts bhel, Samosa, Puran poli with different chutney and pickles (achars). Some of the students actually tried those items after going home on weekends. Amazing responses were there as students prepared them themselves even at home as a part of activity to be performed here and were eager to taste those food items after the competition. Some students were so much involved that they didn't allow their parents to prepare but they themselves started the preparation of buying the raw material needed earlier. A total of ~~7~~1 students participated and rest of the students were really eager to taste those amazing delicious dishes. The recipes were also notes by some students and teachers as well.
