Student Feedback Analysis-2022-23

The College has the mechanism for analyzing online feedback from different stakeholders on overall institutional performance. Online feedback from the students is obtained through feedback forms from website containing questionnaire on various aspects i.e. curriculum, sports, facilities in the department, involvement of teachers etc. The feedbacks and suggestions received are placed before the Principal as well as management for corrective measures from time to time. The student issues facilitating the student's responses are resolved promptly.

Student: A questionnaire is prepared to obtain feedback from students to find out the status of the college. Students are answering the following questions:
