**2.7.1 Student Satisfaction Survey (SSS) on overall institutional performance (Institution may design the questionnaire) (results and details be provided as weblink)**

The College has the mechanism for analyzing feedback from different stakeholders on overall institutional performance. A feedback from the students is obtained through feedback forms containing questionnaire on various aspects i.e. curriculum, sports, facilities in the department, involvement of teachers etc. The feedbacks and suggestions received are placed before the Principal as well as management for corrective measures from time to time. The student issues facilitating the student's responses are resolved promptly.

Student: A questionnaire is prepared to obtain feedback from students to find out the status of the college. Students are answering the following questions:

**Teaching Staff Questions**

1. Punctuality - Starts & closes the session on time (Regularly)
2. Subject knowledge - In depth and sound knowledge of subject
3. Communication - Clarity, Delivery, Interesting, Interactive (Participative)
4. Session Preparedness - (how well prepared for Lecture / session)
5. Eager to teach - Ability and Readiness to answer questions
6. The teachers encourage participation and discussion in class
7. The teachers are available and accessible in the Department after lecture timings
8. The evaluation process is fair and unbiased
9. The teachers guide the students for overall personality development of the students
10. Class Control

**Infrastructure Questions**

**Internal Quality Assurance Cell**

**Feedback Process:** The College has a mechanism for receiving online structured feedback from the students and different stakeholders on overall Institutional performance. Feedback form is framed and approved by IQAC of this college and is available on college website.

Employers, Teachers, Alumni and parents responds using offline mode. The feedbacks and suggestions received are placed before the Principal as well as Management for corrective measures from time to time. In case of overall quality of education and discipline all the feedbacks are considered as important.

**Action Taken:** Feedbacks collected are analyzed by Administrative Staff, they submit report of analysis to Principal which is submitted to Management Further. Necessary actions are taken By HOD like improvement in facilities, arrangement of lectures and practical regularly, intimating the concerned teachers etc. This analysis is shared with all the teaching and non teaching staff so everyone should take care of improvement.

### **Student Feedback Action Taken Report**

After taking feedback from students certain points were discussed and solutions were provided for them.

<b>Sr.No</b>	<b>Particular</b>	<b>Action Taken</b>
1.	More activities like hands-on Webinars, Workshops, short duration courses to increase student's exposure	Departments were conducting various Web Sessions/activities on regular basis. Although teachers were instructed to increase the frequency of event conduction.
2.	Some subjects reported to be difficult to understand due to online conduction of lectures.	Teachers have been advised by HOD to spend more time on topics deemed to be tough. HOD also suggested to use ICT tools for better understanding of students.(animated PPT,Video etc)

### **Teacher Feedback Action Taken Report**

- Teachers with poor performance feedback have been advised to attend Faculty Development Programs (FDP) and lectures by senior faculty members to receive guidance and learn techniques from them. This suggestion has been given by the Head of Department (HoD) of both departments.
- Teachers are satisfied with the current curriculum, including the Choice-Based Credit System (CBCS) introduced by SPPU (Savitribai Phule Pune University), as it focuses on enhancing students' skills for academic development and employability.
- Teachers appreciate the time, support, advice, and encouragement provided by both the Head of Department and the Principal.
- Teachers with high performance feedback have been individually appreciated by the HoD and Principal. They have been encouraged to attend conferences and are being motivated to prepare research papers.
- In addition to regular teaching, there is a focus on imparting social awareness and human values to students.

### **EMPLOYER Feedback Action Taken Report**

- The employer suggested taking action for poorly marked students, which involved identifying and speaking to them. The teachers advised these students to participate more in activities, webinars, and other opportunities that could enhance their skills. This approach aimed to encourage their active engagement in order to improve their academic performance.
- With positive feedback and progress observed, the students were instructed to continue their good performance. This reinforcement aimed to motivate them to sustain their efforts and maintain their improved academic standing.
- In addition to the focus on academic performance, personality development classes were introduced to help students improve their presentation skills. These classes aimed to enhance their abilities to communicate effectively, deliver presentations confidently, and develop their overall personality traits.
- By addressing both academic performance and presentation skills through teacher guidance, active participation, and personality development classes, the aim was to provide a comprehensive approach to support the growth and development of the students.

### **ALUMANI Feedback Action Taken Report**

- It seems like the alumni are highly satisfied with the curriculum offered by the university. They have found that the special subjects introduced in the syllabus are relevant to their job profiles and helpful for their future aspirations. This indicates that the university has been successful in designing a curriculum that caters to the needs and demands of the industry.
- Moreover, it's commendable that the alumni are actively involved in notifying the current market requirements to the students and faculty. By sharing their knowledge and insights, they are helping the university community stay updated with the latest market trends. This is crucial for students to make informed decisions and choose the right career paths.

### **PARENT Feedback Action Taken Report**

- The college can use the positive comments about the facilities in their advertising. To entice more students and their families, the university can feature this review on its website, social media, and other marketing tools.
- Time management, studying methods, and general organisational skills are all areas in which college may be a great resource. They may also aid the student in recognising the causes of their time management difficulties.
- In order to help those students who, struggle with communicating, College often offer lectures and workshops on the topic. These classes could focus on a wide range of communication skills, including active listening, public speaking, and written expression. Workshops like these can help students hone their verbal and written expression skills.

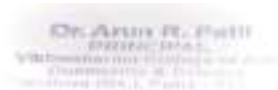

Besides above- students can take advantage of college's career counselling services to gain insight into the labour market and determine how best to apply their studies towards their ultimate professional goals. Resumes, interviews, and networking skills may all be taught.

## **Teacher Feedback Action Taken Report**

- Teachers with poor performance feedback attending FDP and lectures of senior faculty. This is a positive step towards improving their teaching skills. Learning from experienced faculty can help them develop new techniques and strategies to enhance their teaching methods.
- Teachers satisfied with the current curriculum including CBCS: It's great to hear that teachers are content with the curriculum that focuses on skill enhancement and employability. A well-designed curriculum is essential for the overall development of students.
- Teachers appreciated the support from HoD and Principal: A supportive and encouraging environment is crucial for teachers to excel in their roles. The Head of Department and Principal play essential roles in fostering a positive work atmosphere.
- Teachers with high performance feedback rewarded with conferences and research opportunities: Recognizing and rewarding high-performing teachers is an excellent motivation technique. Encouraging them to attend conferences and prepare research papers can contribute to their professional growth.
- Imparting social awareness and human values to students: Education goes beyond academics, and instilling social awareness and human values in students is vital. It helps create responsible and compassionate citizens.

## **EMPLOYER Feedback Action Taken Report**

- Identification and Communication: The employer identified the students who were not performing well and had low marks. The students were then spoken to by teachers to understand their challenges and advised to participate more actively in various activities and webinars. This suggests that the employer is taking a proactive approach to address the issue.
- Positive Feedback and Encouragement: After the initial communication and advice, some students showed improvement, as indicated by positive feedback. It's important to recognize and acknowledge the efforts made by students to improve their skills and performance. Positive reinforcement can be a powerful motivator.
- Ongoing Support: For the students who received positive feedback, they were instructed to continue their good performance. This suggests that the employer is providing ongoing support and encouragement to maintain the positive progress made by the students.
- Personality Development Classes: To further enhance the students' skills, especially in the area of presentations, the employer organized personality development classes. These classes likely focus on improving communication, public speaking, and overall presentation skills, which are essential for personal and professional growth.

### **ALUMANI Feedback Action Taken Report**

- The alumni with the curriculum offered by the university and its relevance to their job profiles and future aspirations. They found the special subjects introduced in the syllabus to be helpful in developing their personality and research capability.
- The alumni play an active role in notifying the current market requirements to both students and faculty. This ensures that everyone involved is aware of the current market trends, which helps students make informed decisions about their career paths.
- The college has also taken steps to enhance the participation of alumni in college activities and events. The alumni have been encouraged to conduct career guidance and motivation sessions for students, providing valuable insights and guidance based on their professional experiences.

		suggested taking activities like workshops seminars on advanced topic for fast learners.
3	More activities for Placement	Personality Development and soft skill workshop organized to increase employment opportunities which gives ample scope for the students to take part effectively in various selection procedures adopted by the recruiters

### **Teacher Feedback Action Taken Report**

- It's encouraging to learn that steps are being taken to help teachers who regularly receive negative evaluations raise their game. They can improve their teaching abilities by participating in Faculty Development Programmes (FDP) and listening to lectures given by experienced professors. Supporting and assisting these educators by providing constructive feedback individually from HoDs in both departments is an efficient strategy.
- The fact that SPPU (Savitribai Phule Pune University) has implemented the Choice Based Credit System (CBCS) and that lecturers are happy with it is also promising. Improving students' skill sets is crucial to their success in the classroom and the job market. Students will have a better opportunity to succeed in their chosen jobs if the curriculum is tailored to the needs of the sector and includes aspects that help students develop their skills.

- Teachers are very grateful to the HoDs and the principal for their time, assistance, guidance, and motivation. By praising teachers, a good and encouraging atmosphere can be created. Teachers' work happiness and effectiveness can both increase if they believe they are valued and appreciated in the classroom and their workplace.
- Teachers who earn positive comments from their superiors and the principal are rewarded for their hard work. They are further encouraged in their professional development and contributions to the academic community by the possibility of attending conferences and preparing research articles.
- It's encouraging that initiatives are being taken to teach pupils about social awareness and human values in addition to the standard curriculum.

### **EMPLOYER Feedback Action Taken Report**

- A set of measures taken by a company or school to improve the performance of underachieving workers or students. Actions include having conversations with students, recommending them to engage in skill-building activities and webinars, giving constructive criticism for development, and emphasising personality development courses to improve public speaking.

The purpose of these acts is to assist students in enhancing both their academic achievement and their general growth.

## **ALUMNI Feedback Action Taken Report**

- Students who graduated have expressed their contentment with the academic programs that were made available by the university. They came to the conclusion that the incorporation of specialized topics into the curriculum was useful in meeting their ambitions for the future and was pertinent to a variety of career descriptions. The curriculum had a key part in both the development of their personalities and the enhancement of their abilities to do research.
- Alumni were instrumental in keeping the college abreast of changing industry needs. They made sure that both students and teachers were up-to-date on the newest developments in the labor market by exchanging information often. Students were better able to make well-informed decisions about their futures because to this information's dissemination. Through their participation in sharing market insights, alumni have helped strengthen ties between academia and the working world.

## **PARENT Feedback Action Taken Report**
