Report on

“One Day Workshop on “Career Opportunities in Overseas”

Date: 26/10/2020

Date: 21st October 2020 at 11.30 am to 01.00 pm.

Report on “**Career Opportunities in Overseas**” workshop which was organized on 21/10/2020 at 11.30 am for BBA CA and BSc CS students.

Guest Name: Gaurav Pawar

Objectives of the Workshop:

- To help the students in the proper choice of careers
- To minimise the mismatching between education and employment and help in the efficient use of manpower
- To identify and motivate the students from weaker sections of society
- To ensure the proper utilisation of time spent outside the classroom through orientation session

The one day workshop was basically organized by VCACS for the students of BBA CA, BSC CS for guiding them about career opportunities in foreign country. For this, being a guest speaker. Ma'am interacted with the students and explained them basic and fundamental changes in overseas education system. Also, guide them regarding choice of career. This workshop truly proved helpful for the same with the fruitful efforts and directions provided by Anjum Patel Ma'am.

Report on Dr. Jonathan Wakefield visit to VCACS

Dr. Janathan Wakefield has visited VCACS on 22nd October 2019, for MoU and discussion with VU authorities as well as students.

This visit was marked with three important sessions

First session:

Time: 10:30 a.m. to 11:00 a.m.

Venue: Conference room.

Firstly, Principal Dr. Arun Patil sir has felicitated Chief guest Dr. Jonathan Wakefield, International Relations Manager in School of Computing and Engineering at the University of Huddersfield. Dr. Jonathan Wakefield has given brief introduction about University of Huddersfield, UK.

Principal Dr. Arun Patil sir also has provided insight about Vishwakarma Institutes to the Chief Guest.

Second Session:

Time: 11:00 a.m. to 12:00 p.m.

Venue: Hall no. 005.

Next interaction of Dr. Jonathan Wakefield was organized with students. Dr. Jonathan Wakefield has interacted with the students and explained them about opportunities of studying in University of Huddersfield, various courses available in UoH along with duration of courses and fees structure. Dr. Jonathan Wakefield also presented his research work on “Development of low cost real time traffic congestion monitoring network” to the students.

Third Session:.

Time: 12:30 pm to 1:00 pm

Venue: Conference room.

Third session was marked with very important event of signing Memorandum Of Understanding between University of Huddersfield and Vishwakarma Institutes, where twoparties have agreed on student exchange program, summer internships, faculty exchange program and to organize seminar, conferences etc.

The image shows a Zoom meeting interface. On the left is a presentation slide with the following text:

Capital Market Awareness for B.Com

- **Date of programme: 14/12/2022**
- **Duration of programme: 1 hr 30 minutes**
- **Time: 10.30am-12.00pm**
- **Platform: Offline**
- **Classroom: 306**
- **No. of Students Participated: 93**
- **Speaker's Name : Pankaj Mathkar**

Mr. Pankaj is an Electronics Engineer with over two decades of work experience in the Financial IT space. He has Training Expertise and was employed with an MNC Bank, where he handled multiple functions including IT Projects and Program Management, Risk Management, IT Budget Planning, Resource Optimization, Process Enhancement. He is an Investor and has domain expertise in the Capital Market with in-depth knowledge of Multiple Investment Products.

- **Programme Objectives:**

1. The programme aims to educate students about capital market, stock market and trading of securities.

2. To make them aware about the importance of savings and investments in day to day life.
3. To increase their knowledge about working in the securities market.
4. To make them understand about the financial instruments listed or traded in BSE and NSE.

The lecture of Capital Market Awareness was specially designed to educate students about the concept of capital market, trading, demat account, stock exchange and mutual fund. The session also included in depth information about the stock exchange. He enlightened students about different types of mutual funds and explained the various types of services the BSE offers in the market along with redressal mechanisms in the stock market. He also explained many aspects related to share market and tax benefits which come along with investment. He also tells how investors face different kinds of challenges in the market. He explains which type of investment is safe but has a low rate of return. He also gave insightful answers asked by the students regarding the session.

He ended the session with the quotes of Warren Buffet on Earning, Spending, Taking Risk, Investments and Expectations.

Invitation for the students of Vishwakarma College of Arts, Commerce and Science for Bolt's All-India Innovation Challenge - 5

Rahul Singh from Bolt IoT <hr@bolliot.com> Tue, Feb 22, 2022 at 11:50 AM
 Reply-To: hr@bolliot.com
 To: vckale@vcacs.ac.in

Dear Prof. Vaishali Kale,

Greetings of the day. Previously, we invited your students to Bolt's Scholarship Program. We are overwhelmed with the number of students who answered our scholarship test. We appreciate your effort in the welfare of the students.

Based on our positive experience with Vishwakarma College of Arts, Commerce and Science, we are now inviting your students to participate in the fifth iteration of Bolt's Innovation Challenge.

As part of this challenge, we select a few students from some of the prestigious colleges of India, such as Vishwakarma College of Arts, Commerce and Science and train them on the concepts of the IoT and ML which is followed by a project competition between them to choose the most innovative students from India.

The competition will be judged by some of the industry experts who have worked at organizations like Amazon, Larsen & Toubro Infoleech, etc. The competition will be an excellent opportunity for students to showcase their talent and skills at an All-India level.

To participate, the students will have to answer the scholarship test below:

- Internet of Things and Machine Learning Scholarship: <https://info.bolliot.com/iotmlscholarship>

What are the prizes for the students?

- 1st Place: Cash prize of Rs. 30,000/-
- 2nd Place: Cash prize of Rs. 20,000/-
- 3rd Place: Cash prize of Rs. 10,000/-
- Consolation prizes: 2 Amazon Echo Dots

What are the steps for Bolt's Innovation Challenge?

Step 1: Students will have to answer a scholarship test and qualify for the same by scoring at least 70% marks. This is a short test and will not take more than 10 minutes for the students. This ensures that they can answer it without spending much time if they have exams ongoing.

The selected students will be eligible to join Bolt's IoT and ML Training for FREE. We charge a small fee for the kit to cover our costs and to ensure that only interested students join the program.

To answer the scholarship, students have to visit the following link:

- Internet of Things and Machine Learning Training Scholarship Link: <https://info.bolliot.com/iotmlscholarship>

Dear Professor Vaishali Kale,

As a part of the MoU with Vishwakarma College of Arts, Commerce and Science, we are inviting students of Vishwakarma College of Arts, Commerce and Science to join us for a Live Online Session on Saturday, 28th of May 2022 at 6:00 PM.

Please note: There are no charges to join this session. This is an interactive session that will teach students to build a Smart Assistive Stick for the blind and briefly cover the concepts of IoT.

Govt should focus on sectors that create jobs: GCCI chief
Says Goa can be a hub for IT, films, supply chain and logistics

Staff Reporter
Mapusa

Goa Chamber of Commerce and Industries president Rajesh de Souza, said that the government should focus on attracting investment from specific industries that will provide jobs to skilled Goan youth to reduce unemployment. He said that Goa can be a hub for film production, IT, supply chain and logistics management and other industries which can tap the talent of locals and boost economy.

He was speaking as a chief guest during the two day National Seminar on "The Changes and Challenges in the Indian Economy: The Post-Pandemic Shift in the Service Sector" organised by Dnyanaprassarak Mandal's College and Research Centre. He said that Goa has enough work force to run film units, information technology companies and government should give priority to promote investment by big companies in these sectors. The seminar

The GCCCI president Rajesh de Souza lighting the traditional lamp to inaugurate the national seminar organised by Dnyanaprassarak Mandal's College and Research Centre.

Principal and professor of the college Prof. D. B. Avolkar said that outbreak of COVID-19 created myriad of problems and the service sector affected badly, specially tourism and travel industry during this time. He expressed that the deliberations during the national seminar will help analyze the positive and negative impact of pandemic on the service sector. He hoped that the research conducted by the scholars will also specify the opportunities available in post pandemic era for bringing the economy on track.

The co-host, Dr. Arun Patil, principal of Vishwakarma College, Pune congratulated the organising team for selecting a relevant topic for the seminar. He highlighted the contribution of the service sector to the economy and stressed the need for recovery of this sector. He expressed his willingness to organise more such seminars in collaboration with

Report on

“One Day Workshop on Recent Trends in Information Technology”

Date: 26/03/2022

Date: 22nd March 2022 at 2.00 pm to 3.30 pm.

Report on “**Recent Trends in Information Technology**” workshop which was organized on 22/03/2022 at 02.00 pm for BCA students.

Guest Name: Gaurav Pawar sir

Objectives of the Workshop:

- To encourage higher –level thinking and creativity through ICT. To deliver students with a learning experience in instructional technology.
- Enhance their ability to summarize and critical papers, writings related to Information Technology.
- To introduce with different bodies of knowledge (Technologies, journals, Organizations, etc).
- To boost their knowledge and critical thinking skills.
- Enabling them to identify & survey researchable topics in IT and Computing.

The one day workshop was basically organised by Science department for the students of BCA for making them aware about the recent trends in information technology and actual implementation of techniques. For this, being a guest speaker. Sir interacted with the students and explained them the various operating method. As the students will have to prepare the

project in their last second and third year, this workshop truly proved helpful for the same with the fruitful efforts and directions provided by Gaurav Pawar sir
