Response:

The Best practice as a noun means- a procedure that has been shown by research and experience to produce optimal results and that is established or proposed as a standard suitable for widespread adoption.

In simplest way a best practice is a standard or set of guidelines that is known to produce good outcomes if followed. Best practices are related to how to carry out a task or configure something. Strict best practice guidelines may be set by a governing body or may be internal to an organization. Other best practices may be more informal and can be set forth in institutions guidance, in published guidelines or even passed along informally.

VCACS by keeping above factors in focus insists on conducting various Best Practices every year like विश्वजागर, विश्वनिरामय etc which leads in building overall personality of every stakeholder in the institution. It also helps to inculcate various values, ethics, morals, social responsibilities in students and all the participants.

Academic Year – 2021-22

Best Practice -1 –

Title of the Practice - विश्वजागर - Flood Relief Program

VCACS, along with its educational roles, has always actively and constructively intervened for the socio-cultural upbringing of the vicinity it is situated in. Both student community and faculty of the college contribute much toward the goal. Management team has also extended its helping hands for such charity-oriented initiatives. Distribution of services and products are majorly made

through, and made possible with the help of the student organizations like National Service Scheme, Teaching Staff, Non-Teaching Staff, Team Physical Education, Alumni Association, etc. As it has always been in emergencies, all the clubs and organizations of the college made their active presence with services of various kinds during and post-flood hours in different parts of the state. The college fraternity is proud to enumerate the humanistic acts it could extend to the affected solicited as well as unsolicited.

Date – 31st July and 1st August 2021

Place- Chiplun (Konkan), Maharashtra

Objectives –

- To build Cooperative attitude, a sense of responsibility
- Awakening about Maintaining social awareness and social consciousness
- Field visit experience

Program Details –

Vishwakarma College and National Service Scheme (NSS) unit has arranged a Flood Relief program under the guidance of our respected principle Dr.Arun Patil sir. Under this activity our college non-teaching staff has actively taken participation in collection and distribution of cloths and food to flood affected areas in Chiplun. Our staff has visited the house of 40 affected people and distributed the items to them.

This activity helps to support these people with basic survival necessities, which helped them to overcome through this difficult phase. It also helps our college staff to build and develop Social Awareness and Cooperation in the society.

Best Practice -2 विश्वनिरामय Covid-19 Awareness & Vaccination Drive

Date – 25th November 2021

Place- VCACS, Class room no. 4 & 5

Objectives –

- To protect individuals at highest risk from serious illness or death.
- Awakening about Maintaining social awareness and social consciousness

Program Details –

In the view of Covid-19 pandemic VCACS have organized a Vaccination Drive for college students and staff at Vishwakarma College of Arts, Commerce, and Science, Kondhwa, Pune, in order to keep them protected from corona virus.

Covid-19 Vaccination programme was organized for the students, their parents and staff members of the VCACS on 25th November 2021 in the college campus from 10 am to 4 pm in collaboration with Pune Municipal Corporation Medical Team of Pune Regional Office and NIRAMAY foundation, Pune.

In these activity total 86 students, parents and staff members including teaching and administrative members were given Covishield as vaccine first and second doses as per their vaccination schedule. Later on they were asked to follow the suggestions as per doctor's advice.

The Health Minister of Maharashtra state, Mr. Rajesh Tope had announced about special inoculation drive for the student's age group of 18 to 25 that the Covid-19 vaccination among the youth is the need of the hour as colleges and universities have started to open in the state from 20th Oct 2021. The Government of Maharashtra had started a week-long vaccination drive for college students in the state from 25th Oct to 2nd Nov 2021, under the campaign, 'Mission Yuva Swasthya'. The teachers and students will be inoculated as part of the drive. The college has taken online survey prior to the vaccination drive to collect data, so that the vaccination drive will be organized in appropriate way.

The following measures were recommended to help reduce the spread of COVID-19 and to protect people at increased risk of severe illness.

- Follow the physical distancing advice.
- Follow the guidance to self-isolate if you or a household member has symptoms of COVID-19 or have a COVID-19 diagnosis
- Follow Test and Protect advice.
- Follow hand hygiene and respiratory hygiene advice.
- Proper use of PPE where necessary.
- Regular cleaning of environmental surfaces and public spaces.
