

VIDYARTHINI MANCH

VCACS is one of the well reputed college in Pune and various girl students are joined our college from nearby areas and even from other states and countries for their education.

Our college have good strength of female Students and Faculties. The college is willing to take care of the needs of girl students separately. On 8th March, 2018 "Vidyarthini Manch" has been formed for fulfilling educational needs as well as extra curriculum needs of female students. This enables them to handle the personal and professional life with confidence when they are in college and in future also. We inculcate the various qualities and skills to cope up with the changing and challenging needs of the society & work place

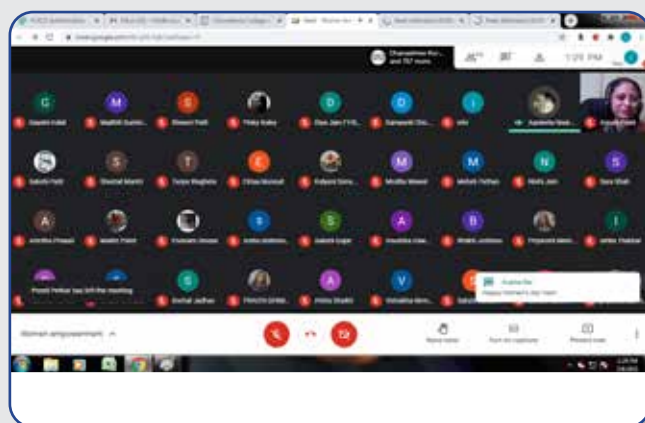

Vision :-

To foster quality development & empowerment of female stakeholders through events and programs, interaction with experts.

Objectives of Vidyarthini Manch

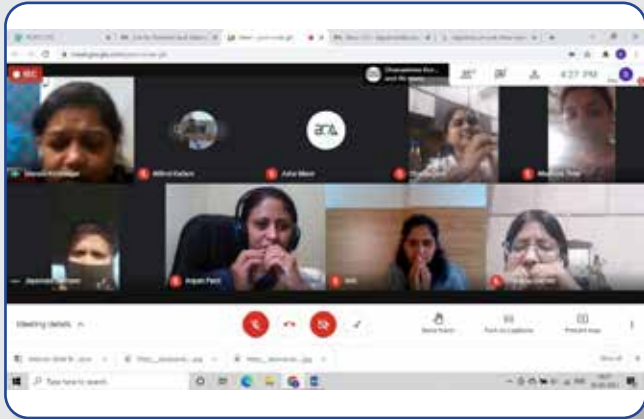

1. To resolve the grievances of female students and ladies staff proactively.
2. To arrange personality development sessions/ webinars/ workshops for Vidyarthini Manch members.
3. To equip the members with a variety of self- defense skill sets.
4. To conduct sessions for career opportunity awareness & guidance for higher education for the members.
5. To organize Health Campaigns & Counseling Session for Personal and Social needs of the members.
